TOP GOALSCORER

Each table depicts the Top 10 vote getters for their relevant league. Where the 10th listed player has tied on their specific count of votes, those players who share the same tally have also been visualised.

The Best & Fairest votes have been awarded in line with the 2023 Rules of Competition:

- A player who receives a Suspension (as defined in the GDT) in a Competition Fixture during the Regular Season (excluding Play Off and Finals matches) shall be ineligible to win a Best and Fairest award in any given Regular Season. To avoid doubt this includes but is not limited to a player who receives ten (10) Yellow Cards or more in a Regular Season.
 - Ineligible players will be denoted in red with an asterisk e.g. ***Player ineligible due to suspension**
- A player who has a Direct Red Card revoked for mistaken identity shall be otherwise eligible to win a Best and Fairest award.
- Players that have played at more than one Club or have played in more than one League in the 2023 season will have goals and/or votes recognised as follows:
 - Votes and/or goals in multiple Leagues: The player's goals and/or votes earned in each League will be considered separate and do not carry over, irrespective of whether they were earned with the same Club or after transferring from one Club to another.
 - Votes and/or goals at multiple Clubs in the same League: If a player plays for more than one Club in the same League in the same Regular Season, the player's goals/votes are tallied together, however the player will only be recognised in terms of his award as a player for the Club at which the player finishes the Regular Season.
