1.3 Monies Owing to FV

Monies Owing by a Club

- 1.3.1 All amounts owed by a Club to FV (excluding Match Official Fees) must be paid within 30 days of the date of the invoice issued by FV in relation to that amount or such sooner time required under the GDR or stipulated by FV.

- 1.3.3 All amounts owed by a Club to FV in relation to Match Official Fees must be paid within seven (7) days of the date of the invoice issued by FV.
 - a. Regulation 1.3.3 is inclusive of Match Official Travels Fees as outlined in the 2026 Match Officials Fee Schedule.
- 1.3.4 If a Club fails to comply with a Default Notice issued in accordance with Rule 1.3.2, or agree to a repayment plan with FV for the amount owed, FV may, at its absolute discretion:
 - a. Rule that Club (or the applicable Team(s) within that Club) ineligible to earn competition points in any Competition Fixture or Sanctioned Match in which the Club (or Team) plays, until the debt is paid.

 - c. Prohibit that Club (or Team(s)) from promotion whilst the debt remains unpaid.
 - d. Relegate that Club (or Team(s)) while the debt remains unpaid.

- 1.3.9 FV may offset any monies owed by FV to a Club or a player against any amount owed by a Club or a player to FV prior to the issue of an invoice to a Club or player for amounts owing to FV.

1.4 Registrations, Forfeits and Abandonments

Definitions

- 1.4.1 For the purposes of this Rule:
 - a. **Change of Status** has the same meaning as in the FV Registration Regulations.
 - b. **Dual Registration** has the same meaning as in the FV Registration Regulations.
 - c. **Ineligible** means a player who is one of the following:
 - (i) Playing for the wrong Club or Team;
 - (ii) Playing within a stand-down period due to Change of Status;
 - (iii) Playing while registered for two clubs at the same time without a Dual Registration exemption to do so;
 - (iv) Playing while not Registered;
 - (v) Playing while under Suspension under the GDR;
 - (vi) A player who has been shown a red card earlier in a fixture that is still being played;
 - (vii) Playing while ineligible to do so for any other reason determined by FV; or
 - (viii) A Player or Players in breach of Rule 2.2.
 - d. **Offence** means when FV has found upon investigation, audit, processing or notification there has been a breach of these Rules including any of the previous fixtures in which an Unregistered or Ineligible Player(s) has Participated.
 - e. **Register** and **Registered** means a player who is registered in accordance with the applicable FV Registration Regulations, and/or FA National Registration, Status and Transfer Regulations, including without limitation seeking an International Transfer Clearance (ITC) where applicable.
 - f. **Request for Information** refers to where from time-to-time FV may request that a Club provide to it information in relation to player registration matters or otherwise as reasonably requested in order to ensure the integrity of Football.
 - g. **Unregistered** means a player who is not Registered.

Registration - Scope of Penalties

- 1.4.2 All Clubs and Teams must Register all Players in accordance with the FV Registration Regulations and FA National Registration, Status and Transfer Regulations.
- 1.4.3 FV may find Unregistered or Ineligible Player(s) through random audits, daily processing or upon investigation following notification of a breach of this Rule.
- 1.4.4 Where a Club or Team Fields an Unregistered or Ineligible Player in a Competition Fixture, including Finals or Play-Off Matches, the following shall apply, subject to Rule 1.4.4(d):
- a. Where a Team is found to have Fielded an Unregistered or Ineligible Player(s) during a single Competition Fixture(s), the score for the respective Competition Fixture(s) may be amended as follows:
 - (i) where that Team loses the Competition Fixture, the result is the greater of the actual score or a 3-0 result;
 - (ii) where the score is a draw that Team is deemed to have lost the Competition Fixture 3-0; or
 - (iii) where that Team wins the Competition Fixture, the result is a 3-0 win to the non-infringing Team.
 - b. Where a Club or Team is found to have Fielded an Unregistered or Ineligible Player(s) in multiple Competition Fixtures, FV may:
 - (i) deduct between 0-12 competition points from the Team without altering any of the corresponding individual Competition Fixture results; or
 - (ii) reverse such Competition Fixture results 3-0 as necessary.
 - c. Matters that FV may take into account in making a decision under Rule 1.4.4 (a) or (b) above include, but are not limited to:
 - (i) whether or not in FV's opinion the Unregistered or Ineligible Player(s) was intentionally or inadvertently Fielded; and
 - (ii) whether a genuine administrative error occurred; and
 - (iii) whether it can be demonstrated by the Club that it was misled by the Player in relation to eligibility/registration;
 - (iv) the experience of the Team or Club administrator; and
 - (v) the age-group affected; and
 - (vi) any other factors FV may consider relevant in the circumstances.

By way of example: where FV learns in round 9 of a season that an Under 14's Team has inadvertently failed to correctly register a Player, rather than automatically deduct 27 points from that Team and reverse 9 Competition Fixtures, FV may either deduct up to 12 points from the Team and not reverse any individual Competition Fixtures, or reverse such Competition Fixtures as necessary.
 - d. Sub-Rules (a) and (b) above shall not apply where the Club has made enquiries to FV about the Player(s) prior to the Competition Fixture and was informed in writing by FV that the Player was Registered/Eligible as necessary.
- 1.4.5 Where FV learns of Unregistered or Ineligible Player(s) via internal audits, and no Club or Team has raised a formal protest about those Players within the time set out in the next sub-Rule, FV may deal with the matter via a warning and reprimand for the first occasion in its absolute discretion. The matter is then considered finalised (see *Additional Notes* section below).
- 1.4.6 The time limit for a Club or Team to Protest from the date of the relevant Competition Fixture, after which the result of the Competition Fixture is considered finalised, is seven (7) calendar days.
- Note on Rule 1.4.6: it is important for the integrity of the competition and league that the results of Competition Fixtures are considered final. The intention of this Rule is to prevent teams from "saving up" suspicions of Unregistered or Ineligible Players in other teams until shortly before finals, in order to make a last effort to accrue points for finals. Legitimate concerns by a team should be notified to FV promptly.*

Additional notes: in state league junior football for Under 12's to Under 15's inclusive and junior metro football, the focus is on participation. Where Unregistered or Ineligible Player(s) in these leagues are identified, FV will favour an interpretation of a genuine administrative error unless it can be shown that the Unregistered or Ineligible Player(s) were Played intentionally. However, in Advanced Competitions, or other state league or metro competitions, FV's expectation is for greater administrative compliance by Clubs, and participation by Unregistered or Ineligible Player(s) in these competitions may be interpreted against the Club or Team more stringently.

System or Technical Error

- 1.4.7 To avoid doubt, if there is a system or technical error in processing a registration (which does not include Players with multiple registrations as a result of, for example, name variants), the above sanctions will be imposed until such system or technical error is proven by the Club or Team or Player, save that:
- a. Only those system or technical errors that occur on weekdays up until 5.00pm on a Friday, (excluding Public Holidays) will be taken into account; and
 - b. Should a Club or Team decide to process registrations on non-business days (Weekends and/or Public Holidays) or after 5.00pm on a Friday, the Club or Team is responsible for ensuring all registrations are successfully processed and valid for all Club and team fixtures.

Request for Information

- 1.4.8 Where FV requests a Club to provide information in relation to a Club's registration matters, or otherwise as reasonably requested in order to ensure the integrity of football, the Club must comply within 3 days (or as otherwise reasonably requested by the FV).
- 1.4.9 A failure to comply with Rule 1.4.8 results in all of that Club's teams playing for no points until the requested information is provided. Should a Club subsequently comply with Rule 1.4.8, such points will not be returned or Matches replayed.

Forfeits

- 1.4.10 Clubs must notify FV as soon as practicable in advance in the event that they are unable to participate in a Competition Fixture.
- 1.4.11 A Forfeit occurs when a Club or Team fails to participate in a Competition Fixture.
- 1.4.12 In the event of a Forfeit, the forfeiting Team:
- a. is deemed to have lost the Competition Fixture 3-0; and
 - b. will receive a forfeit notice from FV; and
 - c. must respond to the forfeit notice and provide written reasons to explain why they were unable to Field a Team.
 - d. In a Regular Season fixture (not including Play Off Semi Finals, Play Off Final, Elimination Finals, Preliminary Finals, Semi Finals or Grand Finals) incur the following fine:

VPLM 2	\$6,000

- 1.4.13 Any Team which incurs Forfeits in three (3) Competition Fixtures within a Regular Season may be removed from its League at FV's absolute discretion.

Appeals

- 1.4.14 FV reserves the right during the Season to implement (and publish details of) an appeals mechanism against FV's decisions under Rule 1.4.4. Under such mechanism, Clubs who have had points so deducted may appeal that decision to the FV Tribunal, to be dealt with further to the GDR.
- 1.4.15 An appeal under Rule 1.4.14 shall constitute a Tribunal Referral for the purposes of the GDR.
- 1.4.16 The cost of an appeal under Rule 1.4.14 shall be as determined by FV from time to time and may be higher than standard Tribunal Request Fee referred to in the GDR.

1.5 Protection of Important Fixtures

- 1.5.1 Where an A-League, International or an Inter-State match is scheduled in the State of Victoria, FV may determine that no other Competition Fixture or Sanctioned Match take place at the same time.

- 1.6.2 By participating in a Sanctioned Match, the Club and any league or association to which that Club belongs, submits to the jurisdiction of FV, its Rules and Regulations and the GDR.
- 1.6.3 Any Club or Team, association, or organisation which administers or participates in any Sanctioned Match, must ensure that appropriate insurance and Work Cover arrangements are made to provide adequate and necessary coverage for their players, Match Officials, and all Club Associates involved in Sanctioned Matches.
- 1.6.4 Any Club or Team, association or organisation wishing to participate in any interstate or international match, tournament or event must apply in accordance with the 2026 FV Registration Regulations, writing to the FV Registrations Team for prior approval.
- 1.6.5 All Competition Fixtures take precedence over non-FV matches or fixtures or tournaments. Failure to fulfill Competition Fixtures for a non-FV match may result in disciplinary action in accordance with Rule 4.6.

1.7 Insurance
