NOMINATIONS

- Nominations are teams that rollover from 2025 to 2026, these Competitions include:
 - State League Women's
 - Metropolitan Men's League
 - Metropolitan Men's Masters
- Clubs will receive an email from FV Competitions with the below Information:
 - **2025 Team** e.g. Metropolitan Men's League 2 South-East
 - **2026 Team** e.g. Metropolitan Men's League 2
 - **Whether the nomination will be accepted for 2026 or rejected.**
 - **If rejected, whether this is a team withdrawal or a league change request** e.g. requesting Metropolitan Men's League 3
- Clubs will need to submit this email back to confirm their nominations for 2026.

PRELIMINARY FIXTURE PERIOD

- Preliminary Fixtures will be released and managed via DRIBL.
- All Preliminary fixtures will be scheduled at recommended standardised kick-off times as per the Rules of Competition.
- Clubs will have the opportunity to view and make amendments to their home fixtures in line with the Rules of Competition via the **Timeline** section.
- This will give Clubs more time and opportunity to have ownership of their fixtures.
- The system does not allow clashes to be scheduled.

PRELIMINARY FIXTURE PERIOD

- The Timeline will be accessible to Clubs for a week and will allow clubs to access their fixtures on each field and move fixtures around to best suit the Clubs preference.
- A grey block appears, when a fixture is taking up part of that field.
 - E.g. full-sized fixtures on HOTM 4 means that no fixtures can be scheduled on HOTM 4 Half Fields.
- A fixture cannot be moved if it is going to clash with another scheduled fixture, therefore when moving fixtures around you may need to move matches to Unallocated Fixtures and reallocate.
