

# COACHER

CoachER is Football Victoria's coach development initiative designed to attract, support and retain female coaches in Victoria.

Whether you are already coaching, currently playing or are looking to get involved in coaching for the first time, CoachER provides opportunities to learn, connect and grow within a supportive environment.

ONLY  
**15%**  
of coaches in  
Victoria are  
female.

## BE PART OF COACHER

**Sign up for free to be part of the Program!**

By registering, you will receive updates on upcoming coaching courses, conferences, networking sessions, workshops, and other coach development opportunities. As funded opportunities become available, Expressions of Interest (EOIs) will be shared with members directly.
