Statement of Inclusion

It is okay to be authentically myself. I can let Football Victoria Staff or my coach know if there is anything that helps me feel included during Football for All Gala Day.

I am welcome to use my own strategies to help feel comfortable, so I can keep participating and having fun.

What is a Visual Story?

Visual stories help me to become **more familiar with a place or event**, and know **what to expect** before I attend.

Being prepared and knowing what to expect can help **to reduce my anxiety and stress**.

Visual stories are written in an easy read format and use pictures to provide greater accessibility for everyone.

This Visual Story has been developed in collaboration with Aspect.

Arriving at the Home of the Matildas

1.

Arriving at the Football for All Gala Day

When I arrive at the Gala Day, I will go through the building to get to the outside pitches.

Before the gala day, my manager will let me know where to meet the rest of my team.

2.

Finding my team

I will meet with my coach, team manager and teammates.

My parent, guardian or supports person can wait stay with me.

3.

I will wait for my coach to tell me what to do next

My coach or team manager will tell me what to do next. We might hang around and wait for our other teammates. My coach or team manager will make all our teammates have come, and are dressed, and ready to play.

Football Matches

Where will the matches be?

My football matches will be on the outdoor football pitches

Playing matches

On the day, my team will play two football matches.

There might be a break between games, depending on the schedule.

Before each match against another club, my team will do a warm-up together.

This helps us:

- Stretch our bodies
- Get our muscles ready
- Focus and prepare for the game
- Work together as a team

The warm-up is a quick, fun way to get ready so we can play our best in the match.

During the match against another club, I will use my skills to:

- Pass the ball to my teammates
- Dribble the ball to keep control while moving
- Kick the ball to try and score goals

Playing in the match helps me build confidence, work with my team, and have fun playing a football match.

During the football matches, there will be referees on the field. They will be wearing long socks, shorts and shirts that can be the colours Black, light blue or light green. Sometimes they might wear a jacket.

Their job is to help the game run safely and fairly for everyone.

I need to listen to the referee's instructions.

When the referee blows their whistle, everyone will stop and pause the game.

The referee might blow the whistle because:

- The ball went outside of the lines
- If someone gets hurt
- If a team scores a goal

Receiving medals

On Gala Day there will be medal presentations for the different divisions:

- One presentation for the Junior and Youth teams
- One presentation for the Social and Senior teams

These presentations will be held between pitch 1 and the main building.

If I have played in the matches, I will receive a participation medal. This is to celebrate all the hard work and fun I had on the field.

Lots of different people from the All Abilities football community come to watch the presentation:

- Players
- Coaches
- Football Victoria staff
- families and friends

During the presentation, Football Victoria staff will make announcements and call teams up one by one.

When it is my teams turn, I will line up with my coach and teammates to receive my medal.

My medal is mine to keep. I can choose to wear my medal if I want to.

Some teammates might make noise. This is okay, football is fun!
The referee may use a whistle during games.
Pitches 1 and 5 are hybrid pitches (real and artificial grass). Pitches 2, 3, and 4 are artificial grass.
